Great, Grand & Famous Hotels Fritz Gubler, Raewyn Glynn, 2008 This is a book for lovers of remarkable hotels. Whether you are a long-term luxury hotel addict, or just fantasising about a visit to one of the world's great hotels, this book is for you. This book features stories about great, grand and famous hotels sourced from history, legend and the occasional snippet of gossip. Take a peek inside and discover a treasure trove of famous or forgotten anecdotes. See the dramas unfold in lobbies, dining rooms, bars and ballrooms, or behind the closed doors of guest rooms and Presidential Suites. Marvel at those who made these hotels what they are: daring financiers, visionary owners, inventive architects, cutting-edge designers, devoted hoteliers and renowned chefs. Remember the great, grand and famous celebrity guests and meet the new breed of visionaries who are creating the great hotels of the future. Visit historic hotels, including The Ritz, Paris; the Waldorf-Astoria, New York; the Beverly Hills Hotel, Los Angeles; the Savoy, London; the Hassler, Rome; The Peninsula, Hong Kong; Raffles, Singapore; Mena House, Cairo; Taj Lake Palace, Udaipur; Chateau Lake Louise, Alberta; the Cipriani, Danieli and Gritti Palace, Venice; Reid's Palace, Madeira; and the Baur au Lac, Zurich, alongside modern masterpieces such as The Burj al Arab, Icehotel and other futuristic hotels. The book is intended to give the traveller a better understanding of, and greater insight into, the hotels they admire and love. It is also a reference book for the passionate hotel professional and provides knowledge for young hoteliers, helping them to understand the history and the development of their industry. Combining four years of research, assisted by many students in various hotel schools around the world, and with contributions by six travel writers, it is hoped this book will entice more people to seek out the world's great, grand and famous hotels, and to stay in them for an unforgettable experience, not just as a place to spend the night.

**Rooms with a View** Adrian Mourby, 2017-11-02 Salvador Dalí once asked room service at Le Meurice in Paris to send him up a flock of sheep. When they were brought to his room he pulled out a gun and fired blanks at them. George Bernard Shaw tried to learn the tango at Reid's Palace in Madeira, and the details of India's independence were worked out in the ballroom of the Imperial Hotel, Delhi. The world's grandest hotels have provided glamorous backgrounds for some of the most momentous – and most bizarre – events in history. Adrian Mourby is a distinguished hotel historian and travel journalist – and a lover of great hotels. Here he tells the stories of 50 of the world's most magnificent, among them the Adlon in Berlin,

the Hotel de Russie in Rome, the Continental in Saigon, Raffles in Singapore, the Dorchester in London, Pera Palace in Istanbul and New York's Plaza, as well as some lesser known grand hotels like the Bristol in Warsaw, the Londra Palace in Venice and the Midland in Morecambe Bay. All human life is to be found in a great hotel, only in a more entertaining form.

Hayner has gathered the basic materials for his book from interviews with hotel bellboys, maids, waiters, and hotel dwellers and from them he has drawn a picture of the detachment, freedom, loneliness, and release from restraints that mark the hotel population. **Seattle's Mayflower Park Hotel** Trish Festin, Audrey McCombs, Craig Packer and Stevie Festin,2014 The Mayflower Park Hotel started life as the Bergonian Hotel on July 16, 1927. One of Seattle s first uptown hotels, it was designed by architect B. Dudley Stuart and built by Stephen Berg at a cost of \$750,000. In the midst of the Great Depression, the hotel was sold and renamed Hotel Mayflower. In 1948, Washington State legalized cocktail lounges, and the Hotel Mayflower became Seattle s first hotel to open one. In the ensuing decades, Seattle prospered, and it hosted the 1962 World s Fair with

its symbolic Space Needle. By the 1970s, Seattle was in a deep recession, and the hotel had become sadly neglected. In 1974, Birney and Marie Dempcy formed a limited partnership to purchase the hotel and renamed it the Mayflower Park Hotel. Restoration started immediately, and after 40 years, the Dempcys remain dedicated to the tradition of making the Mayflower Park Hotel Quite Simply, One of a Kind.

*The Midland Hotel* Sarah Hall, Simon Webb, 2008 The Midland Hotel is one of the great architectural statements, both nationally and internationally, about the nature of Modernism and modernity. Architect Oliver Hill commissioned modernist-chic artists and designers - Eric Gill, Eric Ravilious, Edward Bawden and Duncan Grant - to create a work of art' hotel. For years this art-deco building lay derelict, until developers decided to re-open it. This book is a unique collection of photographs and texts documenting the transformation of this much-loved building.'

Jews by the Seaside Pam Fox, 2021-10-26 This book describes the rise and decline of Bournemouth's Jewish hotels and guest houses within the context of Anglo-Jewish history, the growth of Bournemouth as a premier resort and the evolution of its Jewish community. It explores the decline and changing nature of Bournemouth's Jewish holiday trade before examining different aspects of hotel and guest house life - the food, religious activities and entertainment. It concludes with a detailed analysis of the historical significance and many legacies of the kosher establishments, illuminating the hopes, achievements and sorrows of generations of British Jews as they attempted to balance the goal of assimilation with the desire for a world of their own. Throughout the book, the focus is on those who ran, staffed and stayed in the kosher establishments, shedding light on the dynamics of the mainly family-run businesses. Based largely on interviews, the text is replete with humorous and

poignant memories and stories that enliven the text.
