

Motivacio

Robert Collier

Make (Sh)it Happen Alex Martin,2018-08-09 With a positive mood and the right attitude, nothing can hold you back. This small but stirring book is packed with energising quotes and practical tips for boosting motivation, encouraging productivity and kicking procrastination's ass. It's just the shot in the arm you need to MAKE SHIT HAPPEN.

Motivació i emoció Joaquim Limonero García,2011-11-18 Per què fem el que fem? Tots els nostres actes tenen una explicació. Nosaltres potser no la sabem, però ja fa dècades que els psicòlegs s'han encarregat d'esbrinar el perquè de les nostres accions. La motivació és doncs allò que provoca cadascun dels nostres moviments. Hi ha motivacions de molts tipus. Aquest llibre les explica. També ens ajuda a no enganyar-nos i a veure com sempre hi ha una teoria psicològica capaç de descriure el nostre comportament.

Just Go For It! Kelly Holmes,2011-01-03 Everybody has something they long for - be it succeeding in a new career, losing weight, getting out of debt, or even just getting more organised in life! These things can seem overwhelmingly difficult to achieve, but the good news is that many of the qualities that are required to succeed are simple skills, attitudes and mindsets that can be learned. Her incredible journey from up-and-coming young hopeful to double Olympic champion has taught Kelly Holmes all about what it takes to bring your dreams to fruition, and she is passionate about helping people realise their potential. In this book, she teaches you the six steps that she believes everyone needs in order to move from a no-can-do position to glory and success. Let her help you to: * discover what you really want from life * fast-track success with the right preparation * overcome any confidence crisis * tap into the willpower you never knew you had * turn problems to your advantage * find the fulfilment you've been looking for.

Motivation and Performance Adrian Furnham,Ian MacRae,2017-02-03 Many organizations approach the issue of employee engagement and motivation by tapping into age, gender and other stereotypes. Motivation and Performance challenges these notions, bringing together evidence that group differences are often exaggerated and that getting to the heart of what really motivates individuals is what's most important. This book is a practical guide to ensuring that organizations consider all motivators - job security as well as the need for personal growth - to improve employee satisfaction, boost organizational productivity and reduce staff turnover. Underpinned by original research, Motivation and Performance features case studies from finance, retail, the public and other sectors to show how the principles of motivating

employees apply at all levels of the organization, not just at the leadership level, and how values and motivation can be changed and developed. Complete with a framework for conducting effective visits to front-line locations, it will help HR professionals ask the right questions, choose whether to implement external motivation-building programmes and make a real impact on an employee's desire to progress in the company.

The Secret of the Ages Robert Collier,2012-09-19 A key text in the self-help movement, this volume reveals the secrets of making others desire your product or services. Collier explains how to appeal to the basic elements of human nature — including love, pride, duty, and self-indulgence — to reach and motivate any audience. Essential reading for those looking to succeed in sales, advertising, and copywriting.

How to Be a Well Being Andy Cope,Sanjeev Sandhu,James Pouliopoulos,2020-06-23 Make the Most of Every Single Day Uncertainty, instability, pressure, anxiety and now pandemic pandemonium . . . the world is hell bent on robbing us of our wellbeing. It's time to fight back. Twenty-Two Rules for Life that Just work It's time to ditch the tired, old wisdom, and take life into your own hands. We've all fallen for the mantra that 'you only live once,' but it's a big fat lie. The truth is that you get to live - really LIVE - every single day of your life. Based on the wisdom of Positive Psychology, How to be a WELL BEING teaches you to: Strive toward your true potential Stop wasting time and start achieving Focus on what's truly important Rethink your thinking Find meaning and fulfillment Upgrade to YOU 2.0 It's time to raise your personal bar from mental health to mental WEALTH. 'Memento mori' - remember death. No more messing around. No more wasting time. A new world calls for new rules. It's time to re-focus on what's most important and to take massive strides towards your true potential. 'I forget what came before sliced bread, but whatever it was, this is better than that.' —Mylee from Swindon

Brick by Brick Paul Bassi,2019-07-25 Success is a simple thing that most people believe to be something mysterious and complicated - the reality, according to Paul Bassi, is something completely different. In the vast majority of cases, the people at the top have got there by following disciplines that open to everyone. The truth about success is that it's closer than you might think but harder work than you expect. Anyone can be successful in life - by your own definition, which is the only one that really matters - if you set yourself a central ambition and follow some fundamental principles about how it can be achieved. While the advice in this book may look primarily at business and property, the underlying themes are applicable to whatever life and career you wish to pursue. Drawing on stories from his youth, early career, family life and his current position as one of the Midlands' most prominent property investors, Paul Bassi shows how you can plan your own journey to success. It won't be easy; it won't happen overnight; and it won't come without making sacrifices. But if you want it badly enough and are prepared to be disciplined and relentless in your approach, it is all perfectly possible. This book will show you exactly what it takes.

Els secrets de la motivació José Antonio Marina,2013-11-19 La motivació desperta un interès universal. Els pares volen

motivar els seus fills, els docents, els seus alumnes; els caps, els seus subordinats; les empreses, els seus clients; els polítics, els seus votants... També ens volem motivar nosaltres mateixos, com quan ens sentim avorrits, cansats, sense esperança, i voldríem llançar un crit d'ajuda: ¡Si us plau, que algú em motivi! Fins i tot el propòsit d'aquest breu text és motivar-lo a llegir el llibre que té entre les mans. Com aconseguir-ho? Aquí es troba la qüestió fonamental. En aquest llibre no pretenem convertir ningú en psicòleg expert en comportament, sinó en practicants de la motivació, en persones capaces de detectar les manipulacions emocionals, i també expertes en animar i estimular els altres i, per descomptat, a elles mateixes. No tenim cap dubte que és la nostra competència més desitjable. Som-hi...Si hem aconseguit motivar-lo amb aquest text, endavant!

Tiptoes, Steel-Toes and Stilettos Deondria Cantrice, 2013-12-31 Motivation is not a euphoric drug that is to be administered in periodic doses. Nor is inspiration a feeling; it is a call to action! When you are truly inspired, you will respond, act and move ahead. You will do whatever it takes despite how you feel or what you read. Tiptoes, Steel-Toes and Stilettos is not your typical book of inspiration that delivers melodramatic lip service. It is a book filled with motivational quotes, inspirational anecdotes, and empowering affirmations that will stimulate you to take action by igniting your intrinsic fire. Let's put your best foot forward to achieving your personal goals using Tiptoes, Steel-Toes, and Stilettos.

Estratègies de motivació a l'aula de llengües Zoltán Dörnyei, 2011-06-07 Quan mirem d'explicar l'èxit o el fracàs en l'aprenentatge d'una segona llengua, tant els professors com els alumnes fan servir la paraula motivació?. Aquesta obra adopta un enfocament pràctic per a la docència de les estratègies de motivació a l'aula de llengües i forneix al docent 35 d'aquestes estratègies que podrà posar en pràctica amb els seus estudiants.

From Self to Social Relationships Martijn van Zomeren, 2016-07-07 Martijn van Zomeren develops 'selvations theory', and proposes that human motivation is based around changes in social relationships.

Mapping Motivation for Top Performing Teams James Sale, 2020-12-14 Mapping Motivation for Top Performing Teams is the final volume in a series of books that are all linked to the author's Motivational Map toolkit. Each book builds on a different aspect of personal, team and organisational development. This book, using the Motivational Map, the Team Motivational Map, as well as the Organisation Motivational Map, is a practical guide to understanding how team dynamics and success are hugely influenced by motivational factors, which are not usually taken into account. The book is a deeper exploration of team mapping which occurs in Chapter 6 of Mapping Motivation (2015), Chapter 6 of Mapping Motivation for Engagement (with Steve Jones, 2019), and Chapter 6 of Mapping Motivation for Leadership (with Jane Thomas, 2020). But whereas these chapters only touched on specific aspects of team dynamics, this book covers the issues more comprehensively; it also attempts to avoid replication of materials, although there are bound to be small overlaps. It covers not only how motivations affect team productivity and how this can be boosted through targeted Reward Strategies, but also how 'mapping' provides profounder insights into the four key characteristics of top performing teams: the clear remit, vital

interdependency, strong belief, and real accountability. How Motivational Maps covers these areas, we believe to be original, eye-opening and effective in the management of change. Further, as always with Motivational Maps, its language and metrics raise self-awareness at an individual and team level, and so can help resolve conflicts through its common and non-judgmental language. Managing teams is the key skill of managers: thus this book is a handbook for managers everywhere who wish to excel at management, for without bringing their teams on board (i.e. motivating their teams), they are not effectively managing.

Transform Your Life Carole Gaskell, 2000 Combining inspirational narrative with step-by-step techniques and practical exercises, *Transform Your Life* provides you with inspiration, the framework and the tools to do just that.

Think and Grow Rich Every Day Napoleon Hill, 2010-10-28 A daily handbook for cultivating abundance and riches from the classic writings of Napoleon Hill. *Think and Grow Rich* has sold millions of copies since its initial publication, and is still one of the bestselling books on the market. With 365 quotations from Napoleon Hill's most important works on success and abundance, this daily guide serves as a companion for everyone who wants to experience more prosperity in their lives. Using Hill's idea that each day matters, and that every day offers new opportunities, *Think and Grow Rich Every Day* is the perfect gift for every reader who wants to turn this groundbreaking philosophy into reality. Using the most potent writings from Hill's books, *Think and Grow Rich* and *The Law of Success*, these daily readings will help to turn doubt into confidence, fear into strength, and failure into triumph.

The Book of John John Richard Marsh, 2017-12-15 *Steps to a Happier Life* is a very short, whimsical, and thoughtful collection of principles gained over a life-time wrought with adversity, failures, and some lovely moments of tender happiness. They are intended to inspire you, make you think, and aid you in learning. Ten basic keys to help you feel successful, and live a happier life. Watch that first step!

Break Point Ollie Ollerton, 2019-05-02 DON'T MISS OLLIE OLLERTON'S MUST-HAVE SURVIVAL GUIDE, HOW TO SURVIVE (ALMOST) ANYTHING! PRE-ORDER YOUR COPY NOW. THE SUNDAY TIMES BESTSELLER OLLIE OLLERTON CO-HOSTS SAS: WHO DARES WINS ALONGSIDE ANT MIDDLETON, JASON FOX and MARK BILLINGHAM. THIS IS HIS INCREDIBLE TRUE STORY Where is your break point? Is it here? Facing the gruelling SAS selection process on one leg, with a busted ankle and the finish line nowhere in sight? Or here? Under heavy fire from armed kidnappers while protecting journalists en route to Baghdad. Or is it here? At the bottom of a bottle, with a family in pieces, unable to adapt to a civilian lifestyle, yearning for a warzone? Ex-Special Forces soldier and star of TV's SAS: Who Dares Wins, Ollie Ollerton has faced many break points in his life and now he tells us the vital lessons he has learnt. His incredible story features hardened criminals, high-speed car chases, counter-terrorism and humanitarian heroics - freeing children from a trafficking ring in Thailand. Ollie has faced break points in his personal life too, surviving a freak childhood attack, run-ins with the law as a

teenager rebelling against a broken home, his self-destructive battles with alcohol and drug addiction, and his struggles with anxiety and depression. His final redemption as an entrepreneur and mental health charity ambassador has seen him overcome adversity to build a new and better life. 'Everyone has the capacity for incredible achievement, because it's only when it's crunch time, when you're down to your last bullet - when you're at break point - that you find out who you really are.'

Lead Others Effectively Bloomsbury Publishing,2009-01-01 Developing leadership skills is essential if you want to clamber up the career ladder. Whether you're trying to motivate and inspire your immediate team or manage your boss(es), this is the book for you. Packed with advice on how to build your influence positively, Lead others effectively will help you to realise your ambitions. Chapters include: Leading people in difficult times Managing change Taking responsibility Giving feedback well Setting clear objectives Developing influencing skills Lead others effectively contains a quiz to assess strengths and weaknesses, step-by-step guidance and action points, top tips to bear in mind for the future, common mistakes and advice on how to avoid them, summaries of key points, and sources of further help.

Motivational Work Per Revstedt,2014-10-31 The book fills a vacuum in theory and method. Motivational work is an approach designed to help people who are considered to be unmotivated and hopeless. Most personnel contacts are based on the client/patient being motivated to some degree, i.e. that he or she wants to cooperate constructively and accept help. When you expect constructive cooperation from clients/patients, you only reach the group that is relatively functional. This leads to the motivation paradox: the clients/patients who have the greatest need of support receive the least. Motivational work tries to resolve this paradox, so that those who are most in need actually receive help. The third part of the Motivational Work is about method and techniques. They are not essential to motivational work. The advantage of using them is that motivational work can progress more rapidly and the motivational worker obtains help in structuring his meetings with the latently motivated client. A prerequisite for using these methods is that a motivational relation already exists. Motivational Work is suitable as course literature for social workers, correctional workers, treatment personnel in psychiatry, hospital staff and police; in other words, for all categories of people who meet unmotivated clients in their work. At the same time, the book is aimed at academic education linked with psychology; for example, courses in psychology and medical training as well as economics and management programs. Motivational work is a general psychological theory with which professionals should be familiar whenever they work a lot with people.

Solo Rebecca Seal,2020-09-17 'Kind, realistic and genuinely helpful' Observer 'Bravo on the publication of this witty, wise guide to solo working' Alice Lascelles 'Filled to the brim with advice . . . Such a brilliant book' Emma Gannon Whether by choice or circumstance, as a freelancer or a company employee working from home, more of us are becoming solo workers than ever before. But once you've made the leap, how to do you actually work well in isolation? And how can you thrive while

working alone? Picking up where the freelancer bibles stop, Solo addresses what we gain but also miss when we shift from the structure of an office environment to the solitary confines of our homes or studios. Blending the latest research in psychology, economics and social science with guided self-examination and more than ten years of freelance experience, Rebecca Seal shows you how to stay resilient, productive and focused in a company of one. Practical and inspiring, she also explores the idea of meaningful work and helps you define your own success.

Dia del número, motivació de la matemàtica Salvador Vidal i Raméntol, 2005-11 Inquiet perquè molts alumnes sentien una aversió cap a les matemàtiques, l'autor va pensar què es podia fer per motivar-los en aquesta assignatura i ideà el Dia del número, una jornada en la qual, mitjançant un conjunt d'activitats lúdiques relacionades amb les matemàtiques, pretenia que alumnes i professors es motivessin. Aquesta experiència docent s'ha realitzat durant més de vint anys amb èxit creixent. Amb aquesta activitat es constata que millora molt l'actitud dels alumnes cap a la matemàtica.

Reviewing **Motivacio**: Unlocking the Spellbinding Force of Linguistics

In a fast-paced world fueled by information and interconnectivity, the spellbinding force of linguistics has acquired newfound prominence. Its capacity to evoke emotions, stimulate contemplation, and stimulate metamorphosis is truly astonishing. Within the pages of "**Motivacio**," an enthralling opus penned by a very acclaimed wordsmith, readers attempt an immersive expedition to unravel the intricate significance of language and its indelible imprint on our lives. Throughout this assessment, we shall delve into the book's central motifs, appraise its distinctive narrative style, and gauge its overarching influence on the minds of its readers.
